REGIONE LIGURIA

Liguria WiFi

Regional project for the spreading of wifi in Liguria

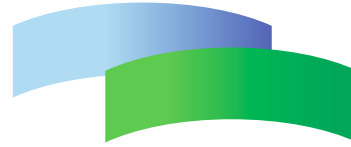

WHAT IS LIGURIA WIFI

Liguria WiFi is a **project of Regione Liguria** that **aims at spreading the Wi-Fi** all over the area of Liguria, **without any cost**.

Liguria WiFi has many **objectives**: it wants to make Liguria territory play a leading role, to create **new Wi-Fi zones**, to back the **digital knowledge** and the **free Internet access**. It wants to be one of **the biggest projects in Italy for the spreading of the Wi-Fi**, to have the highest number of town with free Wi-Fi zones and the highest number of Users.

In addition to this, Liguria WiFi wants to provide the best architectural solutions and high quality services, in order to support the **collaboration between local administrations**, and wants to promote integration and federalism.

Liguria WiFi **philosophy**: a free and public network that allows people to use **the same log-in in different Wi-Fi zones**.

HOW TO USE YOUR ACCOUNT

- 1) Enter into a Liguria WiFi Hot Spot location and be sure that your wireless interface is switched on
- 2) Start your Internet browser, Welcome Page will appear
- 3) Enter your username and password
- 4) Click Login button to get instantly authentication by remote server. Now you can start surfing, sending and receiving email ect.
- 5) To end session click Logout button on service console or type **clicklogout.biz** in the address bar and click enter
